Terms and Conditions

The following terms and conditions apply on the provision of these price plans.

Connection

- The fixed fee for any connection must be within 80% of the user's bill limit.
- On any new connection after the first day of the month, the fixed fee and the bundles are prorated.
- The duration of the contract will be 24 months. From month 22, the Contract is due for renewal, allowing customers to extend their contract for another 24 months or to migrate between packages.

Tariff Plan Migration

- Migration between price plans is only effective on the first day of the month.

Tariff Plan Usage terms and conditions

- There will be no usage charges for the minutes, sms and data up to the inclusive value of the subscriber's package, beyond which the out-of-bundle rates begin to apply.
- The minimum fixed fee on these tariff plans excludes charges for any service outside of the allocated bundle services.
- Packages are recurrent monthly until Upgrading, Downgrading or Termination.
- All voice usage is charged per second, both in-bundle and out-of-bundle. Likewise, SMS are charged per message sent and data is charged per byte, in and out of bundle.
- When credit limit is reached, all services are barred and minutes in the bundle may not be used until account is unbarred.
- Any unused bundle at the end of the month will be forfeited.
- TNM will on a monthly basis invoice the customer with the monthly fixed fee according to the selected tariff plan plus any out of bundle usage in that month and any other amounts owing to TNM.

Termination

- Termination may take effect on any day according to the customer's request, but no refunds may be made for any unfinished bundles.
- On termination, the subscriber must pay out the fixed fee applicable on their tariff plan for the remaining part of the contract and any other amounts due to TNM.
